## Providing Services

### ◆ TOKYU Business

### ◆ Overseas Business

Overseas business development utilizing the urban development know-how cultivated in Japan

## Project Achievement / Technical Expertise

### "Tokyu Garden City" Urban development in Binh Duong Province, Vietnam

In 2012, we established Becamex Tokyu\* and are developing "Tokyu Garden City," a residential and commercial complex in Binh Duong New City (approximately 1,000 hectares) in Binh Duong Province\*. Utilizing our accumulated know-how in Japan, we are developing one of the largest urban development projects in Vietnam for a Japanese company.

In 2014, we established Becamex Tokyu Bus\* and are developing a bus business utilizing Japanese know-how. We are contributing to the growth of Binh Duong New City by promoting urban development that integrates public transportation, and are pioneering efforts to shift to a society that uses public transportation.

- \*Binh Duong Province : Located approximately 30 km north of Ho Chi Minh City. Many foreign companies have established industrial parks in the area, and future development is expected.
- \*Becamex Tokyu : Joint venture between Tokyu and Becamex IDC (public developer in Vietnam)
- \*Becamex Tokyu Bus : 100% subsidiary of Becamex Tokyu
